Tuition Subscription period

The Service or some parts of the Service are available only with a paid Tuition Subscription. You will be billed in advance on a recurring and periodic basis (such as daily, weekly, monthly or annually), depending on the type of Tuition subscription plan you select when purchasing the Program.

At the end of each period, Your Tuition Subscription will automatically renew under the same conditions if available, at the then applicable price, unless You cancel it or the Company cancels it.

Tuition cancellations

Tuition cancellations must be made in writing and delivered to the Company 30 days prior to Your tuition subscription renewal month. You may cancel Your Tuition subscription renewal either through Your Account settings page or by contacting the Company. You will not receive a refund for the fees You already paid for. Your current Tuition period and any remaining owed balance in accordance with Your Tuition terms will be due prior to confirmation of cancellation by the Company. You will be able to access the Service until the end of Your current Tuition period. Until confirmation of cancellation by the Company is made, Your Tuition will continue to be billed in accordance with Your Tuition terms.

Billing

You agree to provide the Company with accurate and complete billing information including full name, address, state, zip code, telephone number, and a valid payment method information. You further agree to notify the Company of any changes prior to the billing period of any Tuition payment date.

You agree to automatic billing for all Tuition in accordance with Your selected Tuition terms. There is no prorating of billing, except as outlined for mandatory closures.

If we are unable to automatically charge your account after attempting to charge the payment method You have on file with the Company, You will receive an Overdue Tuition Invoice to pay the Tuition amount owed plus an applicable \$35 late fee and \$35 returned payment fee, within a certain deadline date, and in accordance with Your Tuition terms. If the Overdue Tuition Invoice is not paid by the deadline date indicated as indicated by the deadline date, Your Tuition will be immediately determined by the Company to be Terminated with Cause, and all of Your access to the Company's Programs withdrawn. You will be notified of the Termination with Cause via electronic invoice and how to proceed with the full payment as indicated on the Terminated with Cause invoice within the certain deadline date and in accordance with Your Tuition terms.

All Terminated with Cause Tuitions will incur a Terminated with Cause Penalty Fee of no less than half of the total of Your unpaid Tuition Term cost based on your Tuition Term Agreement. You must respond by the option date indicated on the Temporary Tuition Hold notice to have Your Tuition placed on temporary hold. If You fail to respond by the indicated date on the hold notice, the Company will consider this as Your agreement for Your Tuition to continue to be billed.
